A photograph of a brick building with a gabled roof. The roof is covered with grey tiles and has a decorative metal ridge cap. The main wall is made of red bricks. There is a large arched window in the center, with a brick arch above it. To the left of the arch are two narrow vertical windows. Below the arch is a rectangular window with a metal grille. The text "Sachin Dongre 9850048489 Quality Brick Supplier" is overlaid on the image.

The image shows three terracotta cow nose bricks. Each brick is a semi-circular shape with three circular holes drilled through its top surface. They are arranged on a floor made of large, irregularly shaped tiles. The bricks are a reddish-brown color, typical of terracotta. The text '9" X 4.25" x 3" Cow Nose' is overlaid in the bottom right corner.

Double VP

A photograph showing two solid red bricks resting on a wooden surface. The bricks are rectangular and have a reddish-brown color. The brick in the foreground is positioned slightly to the right and closer to the viewer than the one behind it. The wooden surface has a visible grain and some wear. In the background, there is a rough, greyish concrete or stone wall.

Circle Jally

The image shows two red bricks with three circular holes each, arranged on a wooden surface. The brick in the foreground is positioned diagonally, showing its top and side faces. The brick behind it is also diagonally oriented, showing its top and side faces. The holes are evenly spaced along the length of each brick. The background is a light-colored tiled floor.
